MYSORE LEGISLATIVE ASSEMBLY

FIFTY-THIRD DAY.

Friday, 18th October 1957.

The House met in the Assembly Hall, Vidhana Soudha, Bangalore, at One of the Clock.

MR. DEPUTY SPEAKER (SRI L. H. THIMMA BOVI, B.A.) in the Chair.

QUESTIONS AND ANSWERS.

Starting of an Industry at K.G.F.

Q.– 283. SRI M. C. NARASIMHAN (Kolar Gold Fields).—

Will the Government be pleased to state :—

(*a*) whether they have received representations from Kolar Gold Fields to start another industry at the said place;

(*b*) whether the previous Government had constituted a Committee to go into the above question;

(*c*) whether they intend starting another industry at Kolar Gold Fields with a view to relieve the distress of unemployment;

(*d*) whether the matter is still under their consideration ?

A.—SRI VEERENDRA PATIL (Deputy Minister for Home Affairs and Industries).—

(*a*) Yes.

(*b*) Yes.

(*c*) and (*d*) The matter is under the consideration of Government.

SRI M. C. NARASIMHAN.—When was the Committee constituted ?

SRI VEERENDRA PATIL.—This Committee was constituted on 3rd February 1955.

SRI M. C. NARASIMHAN.—Would a copy of the report be placed on the Table of the House ?

SRI VEERENDRA PATIL.—The Committee was constituted by the Department. We have received its recommendations which are being examined by Government.

SRI M. C. NARASIMHAN.—When did the Government receive the report from the Committee ?

SRI VEERENDRA PATIL.—On 30th May 1956.

SRI M. C. NARASIMHAN.—Since how long is the report under the examination of the Government ?

SRI VEERENDRA PATIL.—One Ambar Charka Parisramalaya has been started in the Kolar Gold Fields area during the year and the possibilities of starting other rural industries are being investigated by the Department.

SRI M. C. NARASIMHAN.—Is it a fact that because some of the recommendations cover industries under the rural industrialisation scheme, there is some difficulty experienced in implementing the recommendations, since K.G.F. happens to be a city ?

MR. DEPUTY SPEAKER.—How can it be a rural industrialisation scheme ?

SRI M. C. NARASIMHAN.—Some of the recommendations made by the Committee, as far as I understand, cover industries which come under the category of rural industries and since these industries are to be started in villages and K.G.F. happens to be a city, there is a difficulty in implementing the recommendations. Is this a fact ?

SRI VEERENDRA PATIL.—It is a fact that some of the industries come under the rural industrialisation scheme. Those recommendations would be given effect to, after they are examined by Government and if there is any scope for such industries being started.

Sri G. VENKATAI GOWDA.—What are the new industries likely to be started in Kolar?

Sri VEERENDRA PATIL.—The Committee has recommended starting of many industries. Some of them come under the private sector, some would have to be dealt with by the Government of India and some industries come under the rural industrialisation scheme. All these are under examination.

Principles governing Promotion of Officials.

Q.—619. Sri Y. VEERAPPA (Holenarasipura).—

Will the Government be pleased to state:—

(*a*) what are the principles governing promotions of officials in the New Mysore State;

(*b*) whether same principles are now being observed;

(*c*) whether it is a fact that after the advent of the New Mysore State they are arbitrarily promoting the officials of the newly integrated State as a result of which the seniormost, the highly qualified, the aged and experienced persons are affected adversely;

(*d*) whether they propose to stop such injustice by investigating into the matter?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) Recruitment rules which will also define this point in respect of different services are being framed. In the meanwhile, promotions to regional posts are being made on a regional basis taking into consideration the rules obtaining in those areas.

As regards Statewide posts, promotions are made on the basis of provisional inter-State Seniority Lists subject to review if the position of an officer in the inter-State Seniority List is altered.

(*b*) Yes.

(*c*) No.

(*d*) Does not arise.

Sri Y. VEERAPPA.—Is it not a fact that under the principles enunciated by Government, most of the officers coming from the different parts are affected in respect of their promotions?

*Sri S. NIJALINGAPPA.—Government is looking to it that nobody is adversely affected. Complaints are coming in.

Sri Y. VEERAPPA.—Are the complaints scrutinised or examined or kept in abeyance?

Sri S. NIJALINGAPPA.—They are very seriously being scrutinised.

Sri G. DUGGAPPA.—Have Government given promotions to some of the officers overlooking the seniority list which has been prepared?

Sri S. NIJALINGAPPA.—I do not believe any such thing has happened.

Sri G. DUGGAPPA.—Is it not a fact that an official No. 39 in the inter-State seniority list, has been promoted to the cadre of a State Collector?

Sri S. NIJALINGAPPA.—I will look into the matter. But in the meanwhile, I can say that promotions have been made on a regionwise basis for the present. Some objections have been raised to the inter-State seniority lists and they will be looked into and the final seniority list prepared.

Sri G. DUGGAPPA.—May I know upto what number of the rank in the inter-State list, the Government have promoted the officials?

Sri S. NIJALINGAPPA.—It is very difficult to answer this. It is too general and if my friend asks a particular question, I will answer it.

Sri G. DUGGAPPA.—In the seniority list, Government have appointed an officer in the rank 39 to a promotion post, overlooking those above in the same list. I would like to know if this is a fact.

Mr. DEPUTY SPEAKER.—He wants notice to answer that.

Sri S. NIJALINGAPPA.—I have already said that I would look into it.
